If you are a member of the Finger Lakes Dowsers you will have access to the **FLD Members** section. This section requires login. Here we share the list of our members, meeting minutes and other information not available to non-members. You must fill out an application form which is available at a meeting or on the web site.

Your email address is needed in order to prevent spam. Your post will appear once your first comment has been accepted by the web master. After that all future comments from an accepted e-mail address will automatically be accepted and posted.

We need a "communication committee" to help write posts and update the site. Please volunteer!
