Conference Attendee

Please let us know if order is missing anything.

I've included a few flyers of other programs and I wanted to highlight Dr. Nathan Rosenblum. We have been very impressed. If you are interested, his CDs are \$5 each without the fancy package and \$12 with. The DVDs are \$10 each and \$18 with.

We hope you enjoy the recordings and the Creative Seminars crew looks forward to seeing you again next year.

Jeff Gold
